

## **Governance Impact Statement 2022/2023**

This year has been one of highs and lows. We started the year with three new, enthusiastic, experienced teachers and a fresh view to the year ahead. Unfortunately, our Headteacher has been off on long-term sick from November, so we employed an Interim Headteacher to steer us through the remainder of the school year.

The school has written and launched a new Curriculum throughout, and this is embedding nicely, with a clear learning journey for all children. We have focused on the learning environment, particularly in EYFS and KS1, with a new additional classroom so the three year-groups can be taught more effectively in all weathers. We have a new toilet block for the Upper Juniors attached to their classroom, and a new Intervention room to support additional learning for those in need.

We have had a major focus on Safeguarding and Health & Safety, fully launching CPOMS throughout the school.

We had an Ofsted visit in the final half term and although we cannot share the report until September 23, we feel the findings were fair. SATS results were very strong and again later in the year we can share the full results.

### **School Ethos**

We want St John the Baptist to be a happy, safe place where we can work and learn together successfully. A place where expectations are clear, and pupils and staff feel respected and show respect to others and their environment. We aim to challenge all students - to provide additional support to those in need of assistance and stretch those who are achieving above expectations. The school expects every member of the school community to behave in a considerate and respectful way towards others. We continue to share our Christian values.

### **Golden Rules**

The school's classroom and playground rules are based on the Golden Rules:

- ❖ We are safe and responsible
- ❖ We are respectful
- ❖ We are kind

### **Objectives**

- ❖ To provide a caring, friendly and secure learning environment that supports children in making positive behaviour choices and developing their empathy and understanding of others.
- ❖ To ensure that the curriculum and teaching methods are stimulating, varied and appropriate.
- ❖ To maintain high standards of behaviour.
- ❖ To challenge and stretch all pupils within their individual capabilities.
- ❖ To use a positive reward system to encourage our pupils to make positive choices.
- ❖ To use a clear and transparent sanction system which is communicated to parents so they can discuss behaviour choices with their child.

## Governor Training –

Courses Attended 2022/23		
Peter Anderson	GB Course - Statutory Responsibilities/compliance	24/02/2023
Jo Clayman	GB Course - Statutory Responsibilities/compliance	24/02/2023
Beverley Vincent	GB Course - Statutory Responsibilities/compliance	24/02/2023
Matt Creamer	GB Course - Statutory Responsibilities/compliance	24/02/2023
Channa Frolic	GB Course - Statutory Responsibilities/compliance	24/02/2023
